<b>WAGES</b>			from 5/16/2011 to around 5/16/2012 everyone was taking an hour lunch, and was paid for a half hour of that, I never got a lunch and they still took out 1/2 everyday from my check, I was working from 7:30 am to 6 pm with no breaks or lunches but they still took it out of my pay check so for the first year 200 days at time and a half for one hour that is $200 \times 14 = 2,800$ then from 5/17/2012 to 2/25/2014 they made lunches 30 minutes, across the board in my department, except I never got one and they continue to take 30 minutes out of my check everyday, even though I never get a break or lunch so for those extra 400 days at time and a half .... $0.30 \times 400 = 120 \times 21.42$ is 2,570.40 for a total asking amount of 6,852.40
